

# LIGHT UP YOUR PROFITS

## VANTAGE®

Give your customers the smart lighting controls they want with Vantage. Whether for a retrofit, remodel, or renovation project, a Vantage wireless system is designed for easy installation and complete personalization. As we kick off the second half of the year, we're excited to share two new promotions for our RadioLink Wireless Devices—so you can grow your business with smart lighting AND maximize profits.

### BUNDLE AND SAVE UP TO 15%!

With our **15 for 15 Packages**, you can save up to 15% when you bundle 15 Radiolink Universal Dimming Stations with an Infusion IC-DIN-II-LITE-RF Controller.
